Ways to Give

Make a donation online: www.maine coast fishermen.org

Give through a donor-advised fund

We welcome gifts through DAFs, and regularly receive such gifts from Schwab, Fidelity, Blackbaud, and others. We know each firm has different requirements, so please reach out if you need information.

Mail a check

Make your check payable to Maine Coast Fishermen's Association. If you want your donation to support a particular program, please include that information on the memo line.

Donate stock

We accept donations of stock. Raymond James is our coordinator. Please reach out for instructions.

Include MCFA in your estate plans

A planned gift can be a lasting legacy. Let us know if you are naming MCFA in your will.
